RETREAT...

....to an oasis of peace and tranquility.

COME AND EXPERIENCE THE MAGIC OF MIDDLE PICCADILLY.

Set in the beautiful Dorset countryside, **Middle Piccadilly** is a Spa Retreat and Wellness Centre established in September 1986, the building itself is a 17th Century thatched country house with attractively converted cottage style buildings set round a sheltered courtyard and within two acres of lush grounds.

The centre is renowned for its peaceful atmosphere, superb vegetarian cuisine and five star natural therapies. The centre has two double, one double en-suite and three single rooms and offers a range of Spa Breaks including Detox and Health Retreats.

Every guest is treated as an individual, the care by staff and therapists is exceptional. We respond to your unique needs and ensure that your visit leaves you feeling revitalised, refreshed and prepared to return to your daily life. Without being intrusive we do want to make sure you get what you need when you come to our unique environment.

With no more than nine guests at any one time, there are no 'conveyor belt' treatments, each person is cared for as a unique individual. A schedule of treatments is carefully considered in consultation between you and one of our therapists. Our 'smallness' guarantees an unhurried, calm atmosphere – perfect for unwinding and putting aside your cares and worries, if even for just a few days.
